*We are about 38 km west of Cahors, and 5 km north-west of Puy l'Evêque. **Note that the only vehicular access is from the D28 between Puy l'Evêque and Cassagnes.** There are other properties of the same name in the area. You can sometimes find our access track on road maps marked as the GR652 (Grand Randonnée). Allow approx. 1 hour from A20 motorway.*

**If using a satellite navigation system or route finder, you must put in the place-name "Frayse Haut" as well as 46700 Montcabrier as this post-code is shared by the whole commune.**

On Google maps, we are **Gites Fraysse Haut, Montcabrier.**

- From **Puy l'Evêque**, about 5 km:

In Puy l'Evêque, turn off the main road D811 opposite Hotel Bellevue, onto D28 (direction Cassagnes); also signed for La Poste. (Coming from Cahors, it's a right turn on the bend; if you miss it, take next turning right instead, then left at the Stop sign, it's the same road.) Follow D28, leaving Puy L'Evêque going uphill, taking care to bear left with D28 at junction at top of hill outside town (don't go to Martignac).

Pass the chalets of the camping site L'Evasion on your right (don't turn left downhill opposite the camp site) and pass their main entrance; continue on D28 for approx. 1 km, to next junction and houses, and take the unmade track on the left opposite a long stone barn, sign-posted "**Le Fraysse Haut 0.9 km**"

Follow the track past a couple of houses and continue through the trees 0,9 km (about half a mile) until it divides, then bear right (there's another sign here). Please do not stop at the first house; we are at the very end of the track.

There is a small parking area on your right; please drive into the courtyard to unload first.

- From **Montcabrier** (about 5 km):

On leaving the village, at junction, turn left (or, if approaching from D673 Fumel/Gourdon road, pass the village on your left) and at the top of the hill, after rubbish tip opposite the cemetery, turn left following signs for Mazières and Cassagnes.

Continue to Mazières where you will be passing between a church (on right) and a holiday camp (on left) and continue direction Cassagnes.

Continue to Le Fraysse (houses/hamlet "Domaine de Fraysse") and go straight on at this junction (do not turn right here where there is a sign for "le Fraysse / le Fraysse Haut 0,2km" as it goes to another house, with no vehicular access to our property.

After about 1 km you will arrive at a T junction with some rubbish bins in front of you; turn right. (This is the D28 to Puy l'Evêque.)

Continue about 1 km to next turning on right, with sign "**Le Fraysse Haut 0,9km**"\* .

Turn right onto this unmade track, go past a couple of houses, and continue through the trees 0,9 km (about half a mile) until it divides, then bear right. Please do not stop at the first house; we are at the very end of the track.

- **If coming from the north on the D673 Gourdon-Fumel**, take the **D28** to Puy l'Evêque, which is a left turn on a bend, after the lakes and turning for Cassagnes. Follow for about 5 km. Our track will be on the right, about 1 km after the turning for Montcabrier. See \* above.

*Road numbers and signs may change; these are guidance notes only, to be used in conjunction with an up-to-date road map or satellite navigation device.*
